About MannKind Corporation

MannKind Corporation (Nasdaq: MNKD) focuses on the development and commercialization of inhaled therapeutic products for patients with endocrine and orphan lung diseases. MannKind is currently commercializing Afrezza® (insulin human) Inhalation Powder, the Company's first FDA-approved product and the only inhaled ultra rapid-acting mealtime insulin in the United States, where it is available by prescription from pharmacies nationwide. Afrezza is also available by prescription in Brazil where it is commercialized by the Company's partner Biomm SA. MannKind was established in 1991, and is headquartered in Westlake Village, California, with a manufacturing and R&D facility in Danbury, Connecticut. The Company also employs field sales and medical representatives across the U.S. Please visit www.mannkindcorp.com to learn more.
